All Roses are strong No. 1 grade, Western field grown, naturally ripened by heavy frosts in December. One of the most satisfying flower gardens you can plant. Giant Hybrid Teas, long stemmed, haunting fragrance. Floribundas—easy to grow—produce hundreds of blooms on every bush. Climbing Roses to give you a curtain of color. Start planning this year's Rose Garden right now.

The selection we offer this year we consider the best for blooming, most popular, and selected by growers for this locality. Including the 1953 All-American Roses.
